ACADEMIC PROJECTS AND CONFERENCES ORGANIZED:

Organized the session “In Search for a Global Urban Justice Movement through Theory and Praxis” with Meriç Kırmızı. *Power, Violence and Justice: Responses, Reflections and Responsibilities*, 21st International Sociological Association World Congress of Sociology, Toronto, 15-21 July 2018.

Led the local organizing committee of the 11th Congress of International Development Ethics Association, *Anti-Corruption and Democratic Development* with Prof. İstar Gözaydın and Prof. Gürçan Koçan. The conference was scheduled to be held in Istanbul, June 23-26, 2016. Unfortunately, it was cancelled because of uncertainty about security in Istanbul’s public spaces.

Organized and coordinated the international symposium “Veblen: Capitalism and Possibilities for a Rational Economic Order” with Sidney Plotkin. The symposium, co-sponsored by the Chamber of Electrical Engineers, was held in July 6-7, 2012, Istanbul. More than 500 individuals participated in this event in which seventeen papers were presented by a select group of scholars.

As the editor, assisted the translation and publication of Veblen’s *The Engineers and the Price System* in Turkish. Veblen’s classic book, originally published in 1921, was translated by Barış Özçorlu and printed by the Chamber of Electrical Engineers, the Union of the Chambers of Turkish Engineers and Architects in 2011.

Represented the Sabancı University team as the “Responsible Scientist” in the EUROSHERE Consortium that comprised 17 European universities and research institutes and approximately 150 researchers. The EUROSHERE project, funded by the European Commission, was coordinated by the University of Bergen. The project examined the factors that have been challenging the fabric of European democracy and

identified options relevant to optimizing citizens' involvement in the European democratic deliberations. The project started 1 February 2007 and was completed on 31 January 2012.

Organized and coordinated the international symposium “How Does East Meet West? Conceptualizations of Cultural Encounters” with Prof. Jan Ifversen and Prof. Gürcan Koçan. The symposium, co-sponsored by Sabancı University and the Danish Research Group on Cultural Encounters, was held in May 3-5, 2002.

Designed and carried out the survey research “Social and Professional Identities of Engineers and Architects in Turkey and Their Professional Organizations,” co-sponsored by the Norwegian Freedom of Speech Forum and The Union of the Chambers of Turkish Engineers and Architects, wrote the report in a manuscript form with A.H. Köse in 2000.

Designed and carried out the survey research “Anatolian Industry Survey, 1997” for the Chamber of Mechanical Engineers, 1996-1997, and wrote the final report with Gülsen Çakar, Sevil Kışioğlu, Ahmet Haşim Köse.
