Academic Degrees

Ph.D. Cornell University
 M.A. Cornell University
 B.S. Middle East Technical University

Academic Positions

Oct 2023-present	Professor, Sabanci University
Sep 2019-Sep 2023	Associate Professor, Sabanci University
Jan 2019-Aug 2019	Associate Professor, Middle East Technical University
Aug 2014-Dec 2018	Assistant Professor, Middle East Technical University
Aug 2013-Jul 2014	Instructor, Middle East Technical University

Research Interests Keywords

adult attachment, close relationships, culture, happiness, interpersonal relations, marriage, mate selection, relationship development, responsiveness, social interactions, socioecology, well-being

Editorial Board Service

2025-present	Co-Editor, <i>Personality and Social Psychology Bulletin</i>
Aug 2020-2024	Associate Editor, <i>Journal of Personality and Social Psychology</i>
2024-present	Editorial Board Member, <i>Psychological Science</i>
2019-present	Editorial Board Member, <i>Social Psychological and Personality Science</i>
2021-2022	Editorial Board Member, <i>Personal Relationships</i>
Jan 2020-Aug 2020	Editorial Board Member, <i>Journal of Personality and Social Psychology</i>

Awards, Honors, & Fellowships

Elected Member, Science Academy, Türkiye.

Early Career Award. The Scientific and Technological Research Council of Türkiye.

Young Scientist Award (Cigdem Kagitcibasi BAGEP Social Psychology Award). Science Academy, Türkiye.

Early Career Researcher Award. Middle East Technical University.

Educator of the Year Award. Middle East Technical University.

Graduate Student Best Paper Award. Society for Personality and Social Psychology Relationship Researchers Interest Group.

Harold Feldman, Flemmie Kittrell, Virginia Cutler, Esther Stocks, and Flora Rose Fellowships. Cornell University College of Human Ecology.

Urie Bronfenbrenner Graduate Teaching Award. Cornell University Department of Human Development.

Graduate Studies Fellowship. Higher Education Council of Turkey.

Visiting Researcher Fellowship. Fulbright Commission.

Research Grants

A minimal interaction intervention to build cross-class weak ties and expand student opportunity networks. Social Mobility Lab Grant, The Colin Powell School for Civic and Global Leadership at The City College of New York. Role: Investigator (October 1, 2026-November 30, 2027).

Minimal interactions as an alternate social resource to close relationships. The Scientific and Technological Research Council of Türkiye. Role: Investigator. (March 1, 2024-March 1, 2027).

The role of relational mobility in understanding trust violations and trust repair. The Scientific and Technological Research Council of Türkiye. Role: Consultant. (June 1, 2024-June 1, 2027).

A cross-cultural investigation of minimal social interactions. Sabanci University. Role: Co-Principal Investigator (September 1, 2022-August 31 2026).

Toward enhancing the applied potential of relationship science via basic research: Examining interpersonal variability in support processes and its consequences for relational well-being. The Scientific and Technological Research Council of Türkiye. Role: Principal Investigator. (January 15, 2021-January 15, 2024).

Examining sources of variation in perceived partner responsiveness. Sabanci University. Role: Principal Investigator. (March 26, 2020-March 25, 2023).

Using laboratory observations to uncover emotional processes in romantic relationships. Sabanci University. Role: Investigator. (March 26, 2020-March 25, 2023).

The role of responsiveness variability and average responsiveness in relational outcomes. The Scientific and Technological Research Council of Türkiye. Role: Investigator. (November 1, 2018-October 31, 2021).

Formation and development of attachment mental representations in adulthood. The Scientific and Technological Research Council of Türkiye. Role: Investigator. (May 1, 2015-April 1, 2018).

Developing a game engine for mobile devices to increase social interactions. The Scientific and Technological Research Council of Türkiye. Role: Consultant. (May 1, 2015-November 1, 2016).

Research infrastructure improvement grant. Middle East Technical University. Role: Investigator. (January 1, 2016-December 31, 2016).

The role of maternal responsiveness in children's self-regulation in the first year of life. Middle East Technical University. Role: Principal Investigator. (January 1, 2015-December 31, 2015).

Publications

* attaches to current or former post-doc/graduate student/mentee co-author;

** attaches to authorships in big-team science projects.
