EDUCATION

Ph.D.in Operations Research, 1975
Department of Industrial Engineering and Operations Research, Virginia Tech, Virginia.

M.S. in Mechanical Engineering, 1972
Mechanical and Aerospace Sciences Department, University of Rochester, New York.

B.S.in Mechanical Engineering, 1970
Department of Mechanical Engineering, Boğaziçi University (formerly Robert College),
Istanbul, Turkey.

FIELDS OF INTERESTS

Project and machine scheduling
Innovation and manufacturing/digitalization strategy development

ACADEMIC AND RESEARCH POSITIONS

Emeritus Professor (July 2015- present)
Industrial Engineering Program, Sabancı University.

Professor (September 1999 – June 2015)
Manufacturing Systems Engineering, Sabancı University.

Professor (April 1988-August 1999)
Industrial Engineering Department, Boğaziçi University.

Associate Professor (May 1982-March 1988)
Industrial Engineering Department, Boğaziçi University.

NATO Research Fellow (July - October 1982)
Department of Operational Research, Lancaster University, UK.

Assistant Professor (November 1976- April 1982)
Industrial Engineering Department, Boğaziçi University.

Operations Research Analyst (January-October 1976)
Operations Research Division, Marmara Scientific and Industrial Research Institute, Gebze,
Turkey.

Instructor (Summer Sessions 1974 and 1975)
IEOR Department, Virginia Tech.

PROFESSIONAL EXPERIENCE

Member of Turkish Aerospace Industries Science and Technology Consultation Committee (2015-2016).

International IMP³rove Innovation Award Jury Member, (2015).

TIM Innovation Award - Innovalig Grand Jury Member, Turkish Exporters Assembly (2014;2015).

Member of the Standing Committee on Sustainable Competitiveness of the Manufacturing Industry, Office of the Prime Minister (2007-2010).

TUSIAD-KalDer National Quality Award Committee Chairperson (1998-2002).

TUSIAD-KalDer National Quality Award Jury Member (1994;1998; 2003;2006; 2008;2009).

Member of the National Quality Council (1992- 1994).

Technical Advisor (on sabbatical leave 1984-1985)
Division of Engineering
Arçelik Co., Istanbul, Turkey.

Consulting Work for:

Automotive Parts and Components Manufacturers' Association
White Goods Suppliers' Association
Turkish Cement Manufacturers' Association
Automotive Manufacturers' Association
Turkish Electronics Industrialists' Association
Machine Construction Association
Turkish Industrialists' and Businessmen's Association
Turkish Technology Development Fund
State Planning Agency
Döktaş Casting Co.
Arçelik Co.(manufacturer of durable household goods)
Asilçelik Co. (manufacturer of special steel)
T. Şişe-Cam Co. (manufacturer of glass and glassware)
İsıltaş Co. (distributor of petroleum products)
Istanbul Municipality Metropolitan Bus Transit Authority
Turkish Navy
Turkish Air Force
Yapı Merkezi Construction Co.
Department of Transportation

AWARDS AND HONORS

Honor Award presented by The Operations Research Society of Turkey for Services Rendered to Industrial Engineering and Operations Research, September 2015.

Graduating Students' Teaching Award, Sabancı University, June 2011.

NATO – TUBITAK Research Fellowship (July - October 1982)

Best Teacher Award presented by the students of Boğaziçi University, June 1980.

Fellowship by the Mechanical and Aerospace Sciences Department, University of Rochester (1970-1972)

GRANTS AND FUNDED PROJECT WORK

Dynamic Multi-Project Scheduling under Uncertainty, funded by The Scientific and Technological
July 2021

Research Council of Turkey, 2010 - 2012. (Project Director)

Innovation Models and Applications in Manufacturing Industry, funded by The Scientific and Technological Research Council of Turkey, 2006-2007. (Project Director)

Strategy Development for SME's in Clusters, funded by Leonardo da Vinci Project Program of European Commission, 2004 - 2006.

Competitiveness Forum Project, funded by Turkish Industrialists' and Businessmen's Association, 2003-2008. (Project Director)

Project Analysis and Development Methodology, funded by LOGO Business Solutions, 2002-2003. (Project Director)

Competitiveness Strategies, Business Excellence And E-Business Strategies in the Machine Manufacturing Sector in Turkey, funded by Turkish Industrialists' and Businessmen's Association, Association of Machine Manufacturers, Turkish Technology Development Foundation, 2001-2002. (Project Director)

An Assessment of Benchmarking Studies in the Turkish Manufacturing Industries, funded by Turkish Industrialists' and Businessmen's Association, 1999-2000. (Project Director)

Fostering Entrepreneurship in Europe, UNICE Competitiveness Working Group, UNICE, Brussels, 1999.

Competitiveness Strategies and Business Excellence in the Turkish Appliance Sector Parts and Components Suppliers' Industry, funded by Turkish Industrialists' and Businessmen's Association, Istanbul, 1998-1999. (Project Director)

Benchmarking Europe's Competitiveness: From Analysis to Action, UNICE Competitiveness Working Group, UNICE, Brussels, 1998.

Technology and New Product Development Management in the Turkish Automotive Parts and Components Suppliers' Industry, funded by Turkish Industrialists' and Businessmen's Association, 1998. (Project Director)

Framework Benchmarking: A Pilot Study for Nine Provinces, funded by Turkish Industrialists' and Businessmen's Association, 1997-1998. (Project Director)

New Product Development Capability of the Turkish Electronics Industry, funded by Turkish Technology Development Foundation, 1996-1998.

Genetic Algorithm Development for Parallel Machine Scheduling, funded by Boğaziçi University Research Fund, 1996-1998. (Project Director)

Competitive Strategies and Best Practices: Turkish Electronics Industry, funded by Turkish Industrialists' and Businessmen's Association, 1996-1997. (Project Director)

Competitive Strategies and Best Practices: Turkish Cement Industry, funded by Turkish Industrialists' and Businessmen's Association, 1996-1997. (Project Director)

Competitive Strategies and Best Practices: Turkish Automotive Industry, funded by Turkish Industrialists' and Businessmen's Association, 1996-1997. (Project Director)

Manufacturing Resources Planning (MRP II) Application and Development, funded by Boğaziçi University Research Fund, 1992- 1994 (Project Director).

- Computer Integrated Manufacturing at Laboratory Scale*, funded by State Planning Organization, 1991- 1995 (Project Director).
- Follow-Up Study on Maintenance and Production Planning*, funded by Döktaş Casting Co., 1991 (Project Director).
- Development of a Manufacturing Simulation Lab*, funded by Boğaziçi University Research Fund, 1990-1991 (Project Co-Director).
- Production Planning*, funded by Döktaş Casting Co., 1989-1990 (Project Director).
- Quality Cost Determination*, funded by T. Şişe - Cam Glass Manufacturing Co., 1989 (Project Director).
- A Computerized Maintenance Planning System*, funded by Döktaş Casting Co., 1988-1989 (Project Director).
- Financial Information System*, funded by Asilçelik Steel Co., 1987-1989. (Project Director).
- The Estimation and Analysis of Travel Demand for an Extended Metro Service in Istanbul*, funded by Yapı Merkezi Construction Co., 1987-1988 (Project Director).
- Manufacturing Information System*, funded by Asilçelik Steel Co., 1985-1988 (Project Director).
- Computer Aided Process Planning*, funded by Arçelik Co., 1985-1986 (Project Director).
- Die Shop Scheduling*, funded by Arçelik Co., 1985 (Project Director).
- Assembly Line Balancing*, funded by Arçelik Co., 1985 (Project Director).
- Project Planning and Control for the Naval Academy Campus Construction*, funded by Turkish Navy, 1982-1983 (Project Director).
- Bottleneck Routing*, funded by Turkish Air Force, 1979-1980 (Project Director).
- Istanbul Metropolitan Area Bus Planning Project*, funded by Istanbul Municipality, 1978-1981 (Project Co-Director).
- Keban Dam Lake Transportation Study*, funded by The Department of Transportation, 1977-1978.
- ISILITAS Reorganization and Distribution Planning*, funded by ISILITAS Fuel Oil Distribution Co., 1976.

ADMINISTRATIVE EXPERIENCE

Coordinator (2013-2017), Summer School – Faculty of Engineering and Natural Sciences at Sabancı University.

Member (1999- 2014) Academic Council of Sabancı University.
Member (2011-2015) Faculty Evaluation and Promotion Committee at Sabancı University.
Member (2010-2011) Committee on Self-Assessment of Faculty of Engineering and Natural Sciences at Sabancı University
Member (2009- 2011) Engineering Committee within Interuniversity Council.
Member (2008-2009) Executive Committee of the TÜSİAD-Sabancı University Competitiveness Forum, Sabancı University
Founding Member and Member (2005-2008) of the Executive Committee of the National Innovation Initiative.
Founding Director (2003-2008) TÜSİAD-Sabancı University Competitiveness Forum, Sabancı University.
Founding Co-Director (2001-2004) Leaders for Industry Double Degree Graduate Program, Sabancı University.
Founding Program Coordinator (1999-2003) Manufacturing Systems Engineering, Sabancı University.
Member (1999 – 2010) Scholarship Committee at Sabancı University.
Member (1999- 2010) Interuniversity Council of Turkey.
Chairman (1995 – 1997) Executive Committee of the Marmara Research Center.
Member (1995–1996) Executive Committee of the University-Industry Relations Council, Boğaziçi University.
Member (1993 – 1997) Executive Committee of the Turkish Scientific and Technical Research Council (TUBITAK).
Deputy Rector (1992- 1994) Boğaziçi University.
Member (1992– 1994) Boğaziçi University Senate.
Member (1986-1990) Executive Committee of the Institute for Graduate Studies in Science and Engineering, Boğaziçi University.
Chairman (1985-1993) Industrial Engineering Department, Boğaziçi University.
Member (1985-1993) Faculty Committee of the Engineering School, Boğaziçi University.
Graduate Advisor (1978-1984) (1985-1991) Industrial Engineering Department, Boğaziçi University.
Member (1981-1982) (1988-1990) Executive Committee of the Engineering School, Boğaziçi University.
Acting Chairman (1981-1982) Industrial Engineering Department, Boğaziçi University.
Member (1981-1982) Executive Committee of the Technology and Systems Research Institute, Boğaziçi University.

JOURNAL EDITORSHIP

Associate Editor (1981-2000)
European Journal of Operational Research (EJOR).

Contributing Editor (1978-1992)
