

# Randomness in Complex Analysis and Complex Geometry

Nesin Mathematics Village, 9-13 September 2024

---

## Invited Speakers:

**Afrim Bojnik** (Sabancı University)

**Alexander Drewitz** (University of Cologne)

**Benjamin Eichinger** (Vienna University of Technology)

**Hendrik Herrmann** (Bergische University of Wuppertal)

**Özgür Kışisel** (Middle East Technical University)

**Norman Levenberg** (Indiana University, Bloomington)

**Bingxiao Liu** (University of Cologne)

**George Marinescu** (University of Cologne)

**Jordi Marzo** (University of Barcelona)

**Grzegorz Świdorski** (Polish Academy of Sciences & University of Wrocław)

**Franck Wielonsky** (Aix-Marseille University)

RCG Workshop 2024 will be held in Nesin Mathematics Village, Şirince (İzmir/Turkey). The workshop is focusing on the probabilistic aspects of complex analysis and complex geometry.
